Internet Society ™

ExpoNova
events and exhibitions

We are proud to invite you as a sponsor of INET 2001 to be held in Stockholm, Sweden – the hottest spot in Europe for securing Internet and corporate services.

Capture immediate market exposure, yearlong recognition for your organization, and support the goals of the Internet Society by becoming an INET 2001 sponsor.

Besides exposure advantages, sponsors will meet personally with influential decision–makers and support the continued development of the Internet.

Only sponsors may demonstrate products or services to buyers and decision–makers as exhibitors in the INET 2001 Exhibition Hall. The Exhibition Hall is open to conference attendees and business representatives.

INET 2000 – Yokohama, Japan

What is INET?

INET is the premier event in the Internet industry, providing an international forum for advancing the development and implementation of Internet networks, technologies, applications, and policies. The world's Internet leaders meet at INET conferences to exchange experiences and shape the future of the Internet. INET attendees examine strategic issues emanating from the Internet's impact on commerce and finance, education, technologies and societies. INET 2001 presents a strong technical program reviewed by industry experts from around the world.

Donald M. Heath, President/CEO, Internet Society

▶ Who is the host of INET 2001?

The Internet Society (ISOC) and ExpoNova are pleased to host the 11th Annual INET Conference. ISOC facilitates and coordinates Internet-related initiatives around the world.

Through its annual International Networking (INET) conference and other sponsored events, developing country training workshops, tutorials, publications, public policy and trade activities, regional and local chapters, standardization activities, committees and an international secretariat, the Internet Society serves the needs of the growing global Internet community.

From commerce to education to social issues, ISOC´s goals are to enhance the availability and utility of the Internet on the widest possible scale.

ExpoNova is the leading exhibition and event organizer in Scandinavia for IT and Telecom events. In 2000 we organized more than 15 events. The company was founded in 1996 and since then we have grown to 35 employees with offices in Gothenburg and in Stockholm.

▶ Who attends INET Internet Global Summits?

More than 2,000 decision-makers and networking professionals involved in extending the use and reach of Internet networks in their organizations or countries are expected to attend INET 2001. Their roles involve nearly every aspect of the Internet's development and operations. As an INET 2001 sponsor, your organization will be in front of:
- CEOs
- CIOs, CTOs and other senior executives and managers
- The people who are developing tomorrow's Internet applications
- Specialists in Internet implementation
- Policy-makers structuring world wide infrastructure development

▶ INET Coverage

Program events are scheduled through-out the entire conference, providing sponsors with opportunities to interact with over 2,000 attendees from more than 100 countries. Over 100 inter-national journalists annually cover INET. This is an excellent opportunity to obtain significant coverage worldwide.

▶ Recognize market potential

A survey of INET attendees revealed purchasing responsibilities for their organization:
- Recommend products/services 40%
- Specify/determine need 36%
- Authorize purchases 27%

▶ Internet Society Mission

"To assure the open development, evolution and use of the Internet for the benefit of all people throughout the world.

Become an INET sponsor

To become a sponsor of INET 2001, contact the Internet Society at inet2001-sponsor@isoc.org. Scandinavian organizations may contact the INET 2001 Sweden Secretariat at inet2001@exponova.se. European, Middle Eastern and African organizations may contact ISOC´s Geneva Office at inet2001-EMEAsponsor@isoc.org.

Sponsor levels and benefits

Five levels of sponsorship are available to INET 2001 sponsors. Benefits are commensurate with level of sponsorship, which is determined by the total of in–kind and cash contributions.

INET 2001 Sponsor Opportunities

Add to your organization's visibility and prestige in the Internet market and among its leaders by becoming an INET sponsor. INET 2001 sponsors are acknowledged in all publications printed after a commitment to sponsor is made. If you don't see an opportunity below that interests you, contact the Internet Society. We will customize a sponsorship opportunity specifically for your organization.

INET 2000 Exhibition Hall

▶ Opening reception
Tuesday, 19.00 – 21.00
5 June 2001
Hosted by: The city of Stockholm.

▶ Café Connect
   – exhibition hall
Sponsorship: US $50,000
One of the most popular rooms during INET conferences, Café Connect is open during the exhibition open hours to conference and exhibition attendees. The Café Connect has direct, high-bandwidth connections to the Internet and docking stations. Attendees will receive complimentary coffee, tea and sodas while the Café is open.

▶ Connectivity Village
   – registration area
Sponsorship: US $50,000
Take advantage of the registration area traffic and those using Connectivity Village to promote your organization. Connectivity Village has 8 computers plus hubs with high bandwidth connection to the Internet.

▶ Tote bags
Sponsorship: US $60,000
As a sponsor of the tote bags, your organization will work with the Internet Society to design a custom INET 2001 tote bag. Every conference attendee receives the tote bag, complete with your organization's name and logo, and filled with all conference-related materials.
Production and delivery of item included in Sponsorship.

▶ Official internet service
   provider
Sponsorship: US $40,000
Bandwidth requirements for INET 2001 are significant. This is a sponsorship critical to the operation and success of the conference. As sponsor, your organization receives custom signage and automatic sponsorship of the INET 2001 Message Board.

▶ Custom International
   telephone card
Sponsorship: US $26,000
People from over 100 countries attend INET 2001. Your organization's name and logo are printed on the surface of the cards, which are the must-haves to those attendees coming from abroad.
Production and delivery of item included in Sponsorship.

▶ Custom t–shirt
Sponsorship: US $52,000
Sponsored by: Siemens
In sponsoring the conference t-shirt, your organization will work with the Internet Society to design a custom INET 2001 t-shirt. Every conference attendee will receive the t-shirt, complete with your organization's name and logo.
Production and delivery of item included in Sponsorship.

▶ Conference umbrella
Sponsorship: US $44,000
Everyone needs an umbrella. Attendees will appreciate and always use their umbrella, which will carry your message wherever they go. Umbrellas are distributed to each conference attendee.
Production and delivery of item included in Sponsorship.

▶ Wednesday or Thursday
   conference lunch
5 – 6 June 2001
Sponsorship: US $32,000/each
Increase your organization´s recognition with a strong presence at an INET 2001 luncheon. As a sponsor, your organization may place your own organizations custom signage at the lunch entrance and during the lunch, your organization may distribute their own logo´d items such as napkins or cups.

▶ ON–SITE program guide
Sponsorship: US $28,000
Sponsored by: IBM
Referred to again and again throughout the conference, the Program Guide is the complete and indispensable on-site guide to INET 2001. The guide contains information on every session, its speakers, and social events. The sponsor receives a full-page ad-vertisement on the inside cover of the Guide.

▶ INET PRESS/MEDIA
   headquarters
Sponsorship: US $29,000
One of the busiest areas of the INET 2001 Conference is the Press/Media Headquarters, which includes the press conference room and press work stations. As sponsor, your

INET 2000 Exhibition Hall

organization receives custom signage. The work facilities are equipped with a copier, fax machines, computers with Internet access, and refreshments. The sponsor may also display their organizational logo on the computer screen savers.

▶ CD–ROM proceedings
Sponsorship: US $25,000
Sponsored by: IBM
The papers presented at the conference are an invaluable resource that conference attendees refer to again and again. The INET 2001 CD-ROM, distributed to each conference attendee, contains the text of every presentation. With your company logo on the CD-ROM cover and with your organizational Web-link inside the CD-ROM, you gain visibility not only at the conference, but for many months to come.

▶ Directory of attendees
Sponsorship: US $12,000
The official INET 2001 Attendee Directory Contains information on each pre-registered attendee. The sponsor receives a full-page inside cover advertisement.

▶ Wednesday, Thursday or Friday refreshment breaks
6 – 8 June 2001
Sponsorship: US $17,000 (Wednesday or Thursday)
Sponsorship: US $12,000 (Friday)
Take advantage of the time after the morning Plenary Session and during the afternoon session break to promote your organization. As sponsor, you receive custom signage and may distribute your own logo'd items, such as napkins or cups. Covers two refreshment breaks daily.

▶ INET 2000 Pocket schedule
Sponsorship: US $18,000
The On-Site Pocket Schedule contains a condensed version of the INET 2001 conference program, allowing attendees to quickly scan the day's events and sessions to plan their personal schedule. The Pocket Guide will have the sponsor's organization name and URL on the back cover.

▶ Custom luggage tag
Sponsorship: US $13,000
Have INET attendees carry your logo around the world on their INET 2001 luggage tags.
Production and delivery of item included in Sponsorship.

▶ Custom badge lanyards
Sponsorship: US $16,000
Sure to leave a lasting impression, neck cords hold the attendee's conference badges. Your organization´s name is custom printed on the woven cotton cords in your choice of any of 16 cord colors. Receive constant exposure for your organization as INET attendees wear their badges throughout the conference.
Production and delivery of item included in Sponsorship.

▶ Custom pen
Sponsorship: US $10,000
Few advertising media have the long life and constant exposure of a pen. The INET custom pen, with your organization's name, is provided to each attendee on-site.
Production and delivery of item included in Sponsorship.

▶ Conference notepad
Sponsorship: US $10,000
Your organization's name and logo will be in front of attendees throughout the conference as they capture the ideas and thoughts of the speakers on their INET 2001 writing notepad. Notepads are distributed to all conference attendees.
Production and delivery of item included in Sponsorship.
